Details

The apartment is 5 minutes walk from one of the 3 sandy beaches, close to a small harbour and 3 minutes walk from the popular Golf Fantasia'. Nearby are numerous restaurants, cafes, shops, and a McDonalds. The wide esplanades and newly constructed walk-ways provide plenty of scope for walking and cycling. On the beaches there are table tennis tables, volley ball nets, children's playing equipment, pedal boat hire and water skiing. 2 km away is 'Marineland' and the Aqua Park.

As you enter the apartment a utility room is on the right which contains a washing machine, electric boiler, gas bottles, electric mains lever and water stop cock lever. A large built in closet lies next to the utility room. On the left is the kitchen with gas cooker and hob, fridge/freezer and microwave. Directly in front of the kitchen is a dining area and lounge. Sliding glass doors lead to the balcony complete with tables and chairs.

The bedroom has a double bed and large clothes closet with space for the travel cot (stored under the bed) or one of the 2 folding beds. A sliding door leads onto the balcony. In the lounge there is a double sofa bed and 2 folding beds. Furniture may be moved around to accommodate the beds and a curtain may be drawn across for more privacy.

The good sized bathroom has a bath with shower over, wc and wash basin. A hair dryer and adaptor plugs are available.

You will need to bring your own linen and towels and be prepared to leave the apartment in a clean and tidy condition. A gas convector heater is provided for cooler winter months. There is an iron and ironing board plus a collection of sand toys, bats and balls, baby walker, buggy and beach umbrellas for your use.

Palma Nova is approximately 20 minutes taxi ride from Palma airport. There is a good bus service to Palma and other parts of the island. Alternatively hire car firms are readily available in Palma Nova. Information of island attractions is to be found in the 'Directory Album' which is in the apartment for your perusal. For information about the apartment itself please read the Information Folder.
